//

17. If applicable, briefly describe the outcomes to date.

//

Intentions

18. Please describe your intentions for the program going forward. For example, do you plan to replicate the program in additional locations or multiple settings and/or enhance program evaluation?

//

Acknowledgement

19. I understand that by submitting this form that, if approved, my program will be included in the New Hampshire Innovative Prevention Program and Best Practice Inventory and is eligible (but not required) to participate in the NH Service to Science process. Participating in the Service to Science process includes at minimum:

- Participation in one or more technical assistance meetings with the Center for Excellence staff
- A presentation to the NH Best Practices in Prevention Expert Panel

Programs that participate in the Service to Science process are eligible to apply for NH Service to Science funding.
