CENTER FOR EXCELLENCE ON ADDICTION

ADDICTION ROUND UP

The Addiction Round Up is a monthly newsletter providing current information and research related to alcohol and other drugs.

WE CAN HELP

Center for Excellence on Addiction

The Center for Excellence on Addiction is available to assist with a variety of needs related to alcohol and other drugs. If you or your organization are interested in receiving expert consultation, technical assistance, and/or training, please complete this [request form](#).

Updates from The Partnership

Is public messaging one of your substance use prevention strategies? The Partnership provides NH-specific substance use prevention messaging and resources to public and private organizations and individuals. Connect with us to collaborate on communications content to develop, refresh, enrich, or elevate key messages for your community. See the [2025 Convening Schedule](#) for future meetings. Agendas are released closer to the convening date.

Join our [mailing list](#), and check out our latest resources, which include the [Partnership Prevention Blog](#) and [Power of Prevention Podcasts](#).

ADDICTION
UPDATES

FUNDING OPPORTUNITIES

Sober Truth on Preventing Underage Drinking Act Grants

Due Date: Monday, March 17th

The [purpose](#) of this program is to prevent and reduce alcohol use among youth and young adults ages 12 to 20 in communities throughout the United States.

Statewide Family Network

Due Date: Monday, March 17th

The [purpose](#) of this program is to provide resources to enhance the capacity of statewide mental health family-controlled organizations to support, train, and mentor family members/primary

caregivers who are raising children, youth, and young adults with serious emotional disturbance and/or co-occurring disorders.

YOUR RESOURCE CONNECTION

Center for Addiction Recovery Support (CARS)

[CARS](#) provides training and technical assistance to help local, state, and national recovery organizations support individuals facing substance use and co-occurring mental health challenges.

National Behavioral Health Crisis Care Guidance

This [guide](#) provides a framework for transforming behavioral health crisis care systems in communities throughout the United States with the goal of saving lives by helping anyone experiencing a behavioral health crisis at any time and anywhere. It also includes a draft of a detailed implementation guide for Mobile Crisis Team services in accordance with this newly released framework.

SAMHSA's Serious Mental Health Illness Training & Technical Assistance (SMI TTAC)

The [SMI TTAC](#)'s goal is to support mental health clinicians, organizations serving those with SMI, caregivers, and people experiencing SMI through offering support on evidence-based and emerging best practices.

DAWN 2023 National Estimates from Drug-Related ED Visits

The Drug Abuse Warning Network (DAWN) has released the national estimates of drug-related emergency visits for 2023. [Read more>>](#)

National Guidance on Essential Specialty Substance Use Disorder Care

This [guide](#) supports the identification of treatment gaps and evidence-based planning to improve the consistency of services available for adults in need of substance use disorder services.

MARK YOUR CALENDAR

SAMHSA's 21st Prevention Day

This [event](#) focuses on three aims: preventing initiation of substance use; preventing progression of substance use; and preventing harms associated with substance use.

Incorporating Sexual Health in Recovery

This [three-hour training](#) will explore common sex education topics and introduce an established curriculum for substance use programming.

Initial Training on Addiction & Recovery

This is an [introductory workshop](#) that raises awareness and understanding of the dynamics and impact of addiction on people who we serve.

Families & Addiction

This [workshop](#) will provide an overview of the neurology of addiction; stages of change, motivational techniques, and other addiction topics and concepts.

SAVE THE DATE: New Nonprofit Financial Training Workshop

This [one-day workshop](#) is a comprehensive dive into nonprofit financial management, designed to empower leaders with the tools, strategies, and confidence to manage finances effectively and drive sustainable impact.

SAVE-THE-DATE - NH Prevention Conference

This [annual event](#) will take place on May 12, 2025, providing youth servicing professionals with local and national best practice strategies; sharing factors that impact the health and well-being of NH youth; and spreading prevention science on behaviors monitored via the YRBS data such as suicide, substance and violence prevention, and other behavioral health issues. ***Details to register will be coming soon.***
