PLAN OF SAFE AND SUPPORTIVE CARE (POSC)

١.

This POSC is developed collaboratively with all birthing parents and co-parents to reinforce and coordinate supports and services. The POSC must be given to the mother upon discharge from the birthing facility and should go to the infant's primary care provider along with the infant's other medical records. For an electronic version of this form, visit: <u>https://nhcenterforexcellence.org/posc/</u>.
